**Administrators:** Travis Betz AD Colby High School

1. USGA rules shall govern play except where modified by local rules.  
**We will play the ball, up, everywhere. There will be a 10 Stroke pick up.**
2. We will play 18 holes; from the Red tees
3. **Out of Bounds:** (#1) Right side along trees and behind green marked by white stakes (#2) Down the right side marked by white stakes (#3) Right side marked by the fence. (#5) Behind the green marked by fence (#6) Right side and behind the green marked by white stakes. (#9) the deck at the clubhouse is OB and then a white line in front of clubhouse.  
**Watch all shots of all players in your group and be able to help look for lost golf balls.**
4. #6 the waist bunker down the right side will is not considered a hazard it will be played as cart path.
5. **Hazards:** Hazards are marked in front of #3, #6, #8, #9 with red stakes. These are hazards so pay attention not to ground your club in the area marked by the stakes. You are allowed to hit the ball from these areas but you may not ground your club. **Bunkers will be played as rake and place.**
6. Announce and play a provisional ball if you think your ball might be lost or out of bounds
7. **Free relief**, from the following immovable obstructions: any concrete cart path waist bunker on #6 is cart path, clubhouse, restrooms, and benches, water control boxes, sprinklers, tee markers, colored distance stakes, maintenance equipment, **and from ground under repair areas (white paint)**
8. Make sure you can identify your golf ball, announce your ball type and markings on your first tee. Let your group know if you change during the round
9. Yardages are marked on most sprinkler heads. There are also colored stakes along both sides of the holes except for par 3's. All distances are to the center of the green. The stakes indicate the following distances:
  - a. Blue 200 Yards
  - b. White 150 Yards
  - c. Red 100 Yards
10. For this tournament; players will be given a card by their coach before teeing off. You will exchange cards with another person in your group and keep the score for that person on their card. After the hole is played, you should be able to tell the person whose card you are keeping their score. If there are any discrepancies, get them taken care of before you tee off on the next tee. It is highly recommended you also keep your own score on the card you are keeping. Record your score on the bottom line. After completion of the round, get with the player whose score you kept, check, and compare cards, then sign it. Each card should have two signatures. When finished give YOUR card to your coach. (Not the card you kept)
11. A horn will sound in case of severe weather. Mark your ball with a tee and come directly to the clubhouse - players do not have the option to finish the hole.
12. Please help maintain our course. Replace all divots on tee boxes and fairways. Repair all ball marks on the green.

13. Please, play ready golf today.
